

Lab Setup - Initial Shipment

You should expect to receive the following equipment in the coming days. Upon arrival, we request that you please:

- Verify receipt of these items in the quantities specified
- Check items for any damages during shipment
- Confirm receipt, quantities & condition to us at support@floodlamp.bio

Please do not unpack items beyond inspecting for damage during shipment - leave these items in their packaging until lab setup (because you will be cleaning them as you set up).
